## To Make a Donation to Alzheimer's Mississippi

Alzheimer's disease is a progressive irreversible brain disease for which there is currently no known cause or cure. It affects over 5 million American adults of all ages, including about 51,000 Mississippians.

Alzheimer's Mississippi is a non-profit organization that addresses the needs of those living with an Alzheimer's diagnosis and their families through support groups, education, advocacy for research funding and other public health policies. Your gift as a memorial or living tribute to a friend or loved one will be acknowledged to the person or family you designate.

YES! I want to do my part to help Alzheimer's Mississippi ease the burden and find the cure. Enclosed is my contribution of:
